peninsula
3 BHK spacious homes at Baner-Sus road

Surrounded by nature. Immersed in luxury.

They say a man is an island unto himself. We'd like to slightly alter that adage. We firmly believe a man is a Peninsula unto himself. After all, he loves to surround himself with things that define him and his way of life. He loves to move away from the madding crowd, and have a niche of his own, far removed from the cares of the world. And while he contemplates and recharges in this secluded abode of his own, he doesn't want to be totally cut off from the trappings of modernity.

Welcome to Peninsula. A project that lives up to its name in every which way you see. Peninsula is truly surrounded by luxury from all sides. And yet, it plays the perfect host to nature. If you are the sort who loves to come home to luxury that is not obtrusive, or overbearing, but has a delightful joi de vivre about it, you will not be disappointed. And if you are the type who loves his tete-a-tete with the mountains, and a gust of fresh breeze on the face, Peninsula truly is for you.

Step into a world befitting nobility.

When you walk into your Peninsula home, you are the lord of all you survey. The wide open spaces welcome you with a generous dose of warmth. The understated shades of pastel lull you into sense of reverie. The lighting soothes your mind and melts the day's stress away. The breathtaking design has a gentle smile of contentment playing on your lips. This is a home worth coming back to, everyday.

The best way to spend time with yourself, or your loved ones.

When you are in the mood to make some waves, the swimming pool beckons you with its pristine, clear waters. The well-equipped gym urges you to shape up and tone those muscles. The splendidly landscaped garden invites you to spend quality time with your loved ones or just traipse down the green pathways, taking in the all-pervading beauty. The top drawer amenities at Peninsula ensure that you keep the best possible state - body, mind and soul.
